The screenshot shows the "Magic Audio Converter and CD Ripper (Free 30-day trial)" application window. The interface includes a menu bar (File, Edit, Action, Options, Help), a toolbar with "Audio CD Ripper" and "Audio Converter" buttons, and a file browser on the left showing a folder named "Yann Tiersen 2008 - Tabarly". The main area displays a list of 15 tracks with columns for filename, track number, artist, title, album, year, and genre. A metadata panel on the right shows details for track 6, "La Longue Route". At the bottom, there are playback controls, an "Output" section with options for file existence and folder, and a "Convert" button. A status bar at the bottom left indicates "15 file(s) have been imported successfully."
